As each date approaches, we would advise you not to use mail service, but hand-deliver, where applicable, the information to the appropriate unit. Better yet, do not wait.

Please see that personnel in your area who handle business and fiscal matters receive a copy of this package immediately to ensure that this information can be reviewed.

SECTION I: DEFINITIONS and GENERAL INFORMATION

Definition of Old Year Expenditures

Old year expenditures are defined as those for which service was completed or goods received by June 28, 2013, and invoice received by July 5, 2013 at NOON. Any expenditure that meets the above criteria must be posted to the 2012-2013 fiscal year.

These transactions must be approved for payment and submitted to the appropriate unit no later than noon, July 5, 2013.

Receiving

Receiving, either on-line or manual, on any old year service or transaction associated with a purchase order must be performed in the MAP system by June 28 in order to have the transaction posted in the old fiscal year. The date on the receiving header document in MAP defines the fiscal year the transaction is posted. Therefore, if the merchandise or service was received in the old year, it is imperative that the receiving be done immediately to ensure proper accounting and posting. Please look at service, rental and lease agreements that should be posted to old year and perform appropriate receiving on-line in MAP. DO NOT WAIT UNTIL YOU HAVE RECEIVED THE INVOICE TO PERFORM YOUR RECEIVING.

IMPORTANT NOTICE: Prepayment of goods or services is a violation of WV State Code. Do NOT perform on-line or manual receiving and request an invoice be processed for payment if you have not received the goods or services.

General Processing

Please note that the cut-off dates refer to the dates when the applicable information is to be received by the appropriate unit, e.g., Procurement, Contracting and Payment Services. As each date approaches, we would advise you not to use mail service, but hand-deliver, where applicable, the information to the appropriate unit. Better yet, do not wait. The sooner old year items are submitted the less likelihood of delays.
Please start to clean up open orders, open invoices, etc. Remember that we may discover problems with your transaction. The more time you have to correct a problem, the more likely it will be recorded and paid properly.

As a general reminder to Intra-University Selling Units, please pay close attention to orders on Centrally Allocated/Appropriated funds. Spending Units should begin close tracking of projects/orders funded with reverting funds. These documents should be marked in the upper right corner, in **RED** ink, Reverting Funds or if the revised form is being used, check mark in the yes/no (as applicable) reverting fund area on form.
SECTION II: 
PURCHASE ORDERS & POSTAGE, COMPUTER REPAIR, TELEPHONE & P-CARD CHARGES

Purchase order roll

All open purchase orders on non-grant budgets will be automatically continued into the 2013-2014 fiscal year. Any purchase orders that should not be continued should be cancelled in 2012-2013. The OPEN ORDER BY COST CENTER report, which can be run from the AP/PO Inquiry responsibility, will show any POs that are currently open.

Postage, Telephone, Network, Computer Repair and P-Card Charges

Postage, Telephone, Network, Computer Repair and P-Card charges will be recorded as follows:
- **May 2013** Postage, Telephone, Network and Computer Repair charges will be recorded in 2012-2013.
- **May and June 2013** P-Card charges will be recorded in 2012-2013.
- **June 2013** Postage, Telephone, Network and Computer Repair charges will be recorded in 2013-2014.

SECTION III: 
GENERAL UNIVERSITY 
OLD YEAR OVER EXPENDITURES, BUDGET ROLL, and CENTRALLY CONTROLLED RESOURCES

General University - Old Year Over Expenditures

Any over-expenditure of Centrally Controlled Resources in the old fiscal year will result in a corresponding reduction of the Centrally Controlled Resources budget in the new fiscal year.

General University - Budget Roll Forward

Expense budgets on General University Centrally Controlled Resources in support of old year open encumbrances will be rolled forward to the new fiscal year. This process will occur automatically after the old fiscal year is closed and will require no action on the part of the departments. Budget increases for the new year will be processed for any encumbered amount on General University Centrally Controlled Resources in the old year General Ledger at the close of the old year. This roll forward is contingent on the unit having sufficient unspent budget at year end. General University Centrally Controlled Resources can be identified by a fund number with an 1110 prefix. No other budget amounts will be automatically rolled forward.

Please note that requests to roll forward budgets on General University Centrally Controlled Resources for reasons not covered by the automatic roll-forward can be made through the Office of Budget Planning.
Expense budgets will not be increased for encumbered purchase orders supported on Non-Centrally Controlled Resources that are carried into the new fiscal year (see Section II: Purchase Order Roll). These budgets may be re-established by the budget unit by following the policies and procedures that address mid-year budget adjustments on Non-Centrally Controlled Resources.

If additional information is needed, please contact the Kevin Stuchell in the Office of Budget Planning at 293-4761.

SECTION IV:
HEALTH SCIENCES CENTER
OLD YEAR OVER EXPENDITURES, BUDGET ROLL, and CENTRALLY CONTROLLED RESOURCES

Health Sciences Center - Old Year Over Expenditures

Any over-expenditure of Centrally Controlled Resources (Health Sciences Center) in the old year will result in a corresponding reduction of the Centrally Controlled Resources budget in the new fiscal year.

Health Sciences Center - Budget Roll Forward

Expense budgets for Centrally Controlled Resources will not automatically be re-established in the new fiscal year in support of purchase orders carried into the new fiscal year (see Section II: Purchase Order Roll). Any purchase orders funded on Centrally Controlled Resources that are carried into the new fiscal year must be funded by the unit’s new fiscal year budget.

Expense budgets for Non-Centrally Controlled Resources will not automatically be re-established in the new fiscal year but may be re-established by the budget unit through the budget adjustment process utilizing the Oracle system. This process will be coordinated through the appropriate Dean’s office with final approval from the Office of the Chief Financial Officer at the Health Sciences Center.

If additional information is needed, please feel free to contact the Office of the Chief Financial Officer at the Health Sciences Center at 293-1029.

SECTION V:
SPONSORED AGREEMENT FUNDS (GRANTS AND CONTRACTS)

For sponsored agreements that expire between July 1, 2012 and June 30, 2013 and that were originated from a West Virginia State Agency, all transactions must be posted to the accounting system by June 26, 2013. In order to accomplish this please deliver the documents to the appropriate office by NOON, June 26, 2013. The documents should clearly indicate "STATE GRANT AWARD - EXPIRES June 30, 2013" as shown in Attachment A. Please copy Attachment A on yellow paper so that priority transactions can be easily identified.

For all other awards that expire on June 30, 2013, please contact your representative from Sponsored Research Accounting at 293-4002, extension 5 to ensure that all appropriate transactions are recorded against that award.
Old year expenditures are defined as those for which service was completed or goods received by June 28, 2013, and invoice received by July 5, 2013 at NOON. Any expenditure that meets the above criteria must be posted to the 2012-2013 fiscal year.

For those sponsored agreements ending by June 30, 2013, please ensure that any subcontract work is completed and final paperwork submitted no later than noon, July 5, 2013 to ensure sponsor reimbursement for these expenditures. Any final paperwork received after that date run the risk of these transactions not being included on the final invoices and therefore non-payment by the sponsors. If there are any anticipated problems with subcontracts, please contact your representative in Sponsored Research Accounting.

These transactions must be approved for payment and submitted to the appropriate unit no later than noon, July 5, 2013. As a general rule, budgets will not be overridden to post old year expenditures.

The deadline for MyTime signoffs for July Cycle I payroll is 1:45 PM on July 1, 2013. Departments are encouraged to meet the MyTime deadline for signoff. Otherwise, reimbursement from the sponsored agency may not be possible.

Open orders, open invoices, etc. should be cleaned up as soon as possible. Any problems with transactions should be reported to Sponsored Research Accounting immediately to ensure adequate time for proper resolution.

SECTION VI:
ACCOUNTING FOR JULY CYCLE I HOURLY/ARREARS PAYROLL

The deadline for MyTime signoff is 1:45 PM on July 1, 2013. All payroll expenses for the July Cycle I payroll will be posted to the General Ledger and Grants modules in fiscal year 2013-2014 at the departmental level. All transactions for West Virginia State Agency sponsored agreements, that expire between July 1, 2012 and June 30, 2013, must be posted to the accounting system by June 28, 2013. A listing of these awards will be distributed to the respective business offices as in previous years. To account for July Cycle I Arrears payroll in the final invoices to the sponsoring agencies, please contact the appropriate Sponsored Research Accounting representative for your college.

SECTION VII:
LABOR DISTRIBUTION ADJUSTMENTS

Considering it is the month end, year end and the beginning of a new pay cycle in the HRMS/LD system and to avoid any problems with adjustments “kicking” for invalid accounting periods, please have any distribution adjustments you need to make for fiscal year 2012-2013 (old year) entered and approved preferably in May, but no later than the close of business on June 27, 2013. All access to define LD adjustments will be revoked during the 13th month period. No LD adjustments will be processed during the 13th month period. All access to the LD module will be restored after the 13th month is closed (July 11) and normal activity may resume.
SECTION VIII: 
FRINGE BENEFIT EXPENDITURE COST TRANSFERS

All necessary fringe cost transfers resulting from labor distribution adjustments for fiscal year 2012-2013 payroll expenditure items must be processed before the year end deadlines established by Procurement, Contracting and Payment Services. These transfers should be completed to ensure that the fringe benefit expenditures are posted to the proper accounts. The procedures for completing fringe cost transfers and scenarios for Intra-University transfers can be found at the following intranet website:

http://financialservices.wvu.edu/ccpm/cca/fringe_rates

Any questions regarding these fringe cost transfers should be directed to Robert (Trey) Wertz at Robert.Wertz@mail.wvu.edu (293-8495).

SECTION IX: 
PROPERTY MANAGEMENT/FIXED ASSETS

All Asset Acquisition forms, Equipment Fabrication/Modification Forms, and Equipment Disposal/Surplus Forms should be completed and submitted to Property Management/Fixed Assets Accounting by June 28, 2013. Copies of invoices for equipment purchases made on procurement cards should be submitted to Property Management/Fixed Assets Accounting by June 28, 2013 so the proper additions can be made.
